### “WHO IS JOY?”

Joy Hill is a Mother, a Mentor, and a Minister of the gospel. Since she was a teenager, Joy has been inspiring others with her passion for God, and it has been her life's mission to lead people into God's presence, and to see them be delivered and set free through the power of Jesus Christ. Joy's radical and transparent approach to ministry has not only helped to mend the broken places in her own life, but it has also helped to pull others out of their dark places; taking them from a place of breakdown...to breakthrough.

### “HER STORY”

Joy is no stranger to life's challenges. After experiencing betrayal, rejection, abandonment, and financial hardship, all caused by a very public and painful divorce...she was extremely broken. But because God's PURPOSE for her life was much greater than her PAIN, she was determined not to get stuck. But Joy didn't want to just survive... she wanted to thrive. So with the help of the Lord...and also the love, prayers, and support from a community of friends, family, pastors, and counselors, Joy did the hard work to HEAL...and she took the necessary steps to get her life back on track; emotionally, spiritually, mentally, and financially...and her mission is to help other women to do the same.

### “HER MUSIC & MINISTRY”

Joy comes from a very musical family, and music has always been her “happy place”. A native of the island of St. Kitts, and born to missionary parents, Joy began singing at age three. When she was seven years old, her family moved to Boston, Massachusetts, where her passion and skill for music continued to develop and grow. But through all of her experiences as a singer and musician, Joy's passion to lead worship became prominent. Because of her musical acumen, Joy has had the opportunity to sing, record, and tour with some of the most significant names in Gospel music such as Kirk Franklin...as well as recording 3 solo projects of her own.

Joy was always a powerful exhorter whenever she would sing or lead worship, but she never felt “called” to preach. But then in 2014, a shift happened in her life and ministry, and she began to get many invitations to speak at churches and conferences. And even though she never been taught how to preach, God had anointed her to do it. However, in 2016, Joy felt like she was going to need more “tools” for where God was taking her, and so she was ordained as an elder in the Higher Ground Always Abounding Assemblies, Inc.

From the Daystar Television Network, the Work Network, and Trinity Broadcast Network...to several Woman Thou Art Loosed and Mega fest Conferences...to churches throughout the United States, London, the Ukraine, South Africa, the Caribbean Islands, Uganda, Mexico, New Zealand, and Australia...Joy has been blessed to minister the gospel through music and the preached word.

### “HER FAMILY”

While Joy is an anointed singer, songwriter, recording artist, speaker, and philanthropist, her most fulfilling accomplishment has been her role as a mother. Family is extremely important to Joy, and it has always been her FIRST ministry. Her sons, Christopher Jr., and Jonathon are not only her pride and joy, but they have also been her motivation to NEVER give up.
